Scandent Solutions at Software 2005 as Silver Sponsor

Bangalore, India, April 25, 2005 – Scandent Solutions, a broad-based information technology solutions firm, has announced its participation as a silver sponsor and speaker at Software 2005. The conference will take place between April 26 and 27 at the Santa Clara Convention Center in Santa Clara, California.

Software 2005 is a vendor-neutral forum, where all software business leaders can candidly debate strategic issues, share ideas and opinions - all for the common good of the industry. Executives will share their perspectives on the building blocks of an organization's lifecycle - from funding to launch to growth to liquidity.

“We are thrilled to have Scandent as a speaker and silver sponsor. Scandent is unique and an emerging giant offering flexible development and delivery options to the software industry, stated **MR Rangaswami, Managing Director of the Sand Hill Group.**

As a silver sponsor and an influential market leader, Scandent will showcase the following products (re-usable frameworks) and programs:

- Private label development and services programs
- Re-usable frameworks – TESA (capital markets) and EDIFICE (wealth management)
- Open source products - @vantage and TeamTok (collaboration server)
- Knowledge services – DA Forum (learning systems)

Additional information about Software 2005 is available at: <http://www.software2005.com>

About Software 2005, Sand Hill Group & SandHill.com

Sand Hill's Software 2005 is the largest software vendor conference. Designed specifically to address business, operating and technology issues facing executives today, Software 2005 is a one-stop event that delivers best practices for the entire lifecycle of a software company with sessions on funding, development, launch, scaling, liquidity and managing in mature markets. The conference features a powerful lineup of speakers, breakout groups and networking opportunities -- all designed to provide insight into the most important challenges facing software executives today.

Sand Hill Group serves the \$600 billion enterprise software, services and solutions market, comprising of over 10,000 companies that directly employ over one million people. Sand Hill Group provides investments and management advice to emerging enterprise technology leaders. Sand Hill

also produces the “Enterprise” series of conferences for CEOs and other senior-level industry executives and creates high-impact research reports for its constituents. Sand Hill owns SandHill.com the premier destination site and resource center for CEOs, VPs, Entrepreneurs, VCs and for members of the software industry eco-system. Its weekly newsletter is read by over 10,000 software executives. www.sandhill.com.
